GREETERS: Please pick up your greeter tag and check in with the Storyteller for any special instructions when you are in the Worship Center. Please exchange with another greeter on the schedule if you are unable to make your date. Storytellers would appreciate it if you would not wait in the center until the children come. We use this time to pray and prepare our hearts and minds for worship. Thank you for understanding and for being a greeter. You are important to this ministry!
