GREETER: When you are in the Worship Center, please pick up your greeter tag and check with the Storyteller for any special instructions before church. If you are unable to make your date, please exchange with another greeter on the schedule. Storytellers would appreciate it if you would not wait in the center until the children come. We use that time to pray and prepare our hearts and minds for worship. Thank you for understanding and for being a greeter. You are important to this ministry!
