GREETER: When you are in the Worship Center, please pick up your greeter tag and check in with the Storyteller for any special instructions before church. Please exchange with another greeter on the schedule if you are not able to make your date. Storytellers would appreciate it if you would not wait in the center until the children come. We use that time to pray and prepare our hearts and minds for worship. Thank you for understanding and for being a greeter. You are important to this ministry!
